

## Buzztrend launches the Blogometer

Friday, 01 August 2008

In view of the 4th of November election in the US, Buzztrend launches the BT Blogometer. The meter to be regularly updated, will indicate the blog visibility of the two candidates Barack Obama and John McCain.

The blogometer will be presented without comment or analysis and will basically inform you about the current status in the blog visibility of the candidates.

Our first blogometer is presented in the next graph (click to enlarge).
